on seat and back slats

Galvanized screws and bolts

Composite Material

CARE:

Western Red Cedar Wood

CARE:

Treated Pine

CARE:

Benefits

Makes the chair more comfortable and easier to sit in

Makes the chair pleasing to the eye. Proportion and scale are everything

More strength where you need it

Will not rust and stain the composite, wood or paint

High quality material made from recycled milk jugs. Are low maintenance—
may be left outside during the winter months.

Use mild soap with stiff plastic brush. DO NOT POWER WASH

Durable in the elements (moisture and warm humidity), but does need be
taken inside or covered during the winter (will extend the life)

VERY stable wood that does not shrink or expand; will not crack on hot days

ALSO takes paint and stain very evenly, and holds it well

Use mild soap with SOFT brush. DO NOT POWER WASH

Durable in the elements (moisture and warm humidity), but does need be
taken inside or covered during the winter (will extend the life)

Suited best for partial to full shade areas.

ALSO takes paint and stain very evenly, and holds it well

Use mild soap with SOFT brush. DO NOT POWER WASH
